To the individual and/or health care provider completing the medical history review /exam: The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law we are asking that you NOT provide any genetic information when responding to this request for medical information. 'Genetic Information' as defined by GINA, includes an individual's family medical history, the results of an individual's or family members' genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Name of Examinee			DOB

PRIVACY ACT NOTICE

AUTHORITIES: The information is sought pursuant to the Foreign Service Act of 1980, as amended (Title 22 U.S.C.4084).
PURPOSE: The information solicited from this form will assist in making a medical clearance decision for individuals eligible to participate in the Department of State Medical Program while assigned abroad. (16 FAM 100 - 200)
ROUTINE USES: Unless otherwise protected by law, the information solicited on this form may be made available to appropriate agencies, whether Federal, state, local, or foreign, for law enforcement and other authorized purposes. The information may also be disclosed pursuant to court order. More information on routine uses can be found in the System of Records Notice State-24, Medical Records.
DISCLOSURE: Providing this information is voluntary; however, not providing requested information may result in the failure of the individual to obtain the requisite medical clearance pursuant to 16 FAM 211.

PAPERWORK REDUCTION ACT STATEMENT

Public reporting burden for this collection of information is estimated to average one (1) hour per response, including time required for searching existing data sources, gathering the necessary documentation, providing the information and/or documents required, and reviewing the final collection. You do not have to supply this information unless this collection displays a currently valid OMB control number. If you have comments on the accuracy of this burden estimate and /or recommendation for reducing it, please send them to: M/MED/EX, Room L101 SA-1, U.S. Department of State, Washington, DC 20522.

Name of Examinee			DOB
