

INSTRUCTIONS

PURPOSE

Form DS-3060 is used worldwide for Department of State employees designated as exempt* under the Fair Labor Standards Act. This form is used to authorize hours worked that are covered by premium compensation but not otherwise included as part of the employee's permanent administrative workweek schedule. Form DS-3060 is an official record for the employee, supervisor, and authorizing official. The original is retained in the post, bureau, or office administrative files for audit purposes.

*Non-exempt employees must use Form DS-3065 for authorization of overtime hours and premium compensation.

EMPLOYEE INFORMATION

1. Type or print the employee's name.
2. Indicate Class and Step or Grade and Step, as appropriate. Examples: FP- 05/3, GS- 07/02, FO-04/05.
This is used to determine whether regular compensatory time off is optional or mandatory (*in lieu of salary*), the impact of the GS-15, step 10 or the EX-V (*whichever is GREATER*), biweekly pay limitation and the estimated cost for requested overtime work.
3. Enter appropriate agency and organizational symbols. If the work is performed outside of that jurisdiction (i.e., detail), add parenthetically where the work is performed.
4. Optional use for supplemental information.

PART I. REQUEST AND AUTHORIZATION

Supervisors should initiate the premium compensation request as far in advance as possible. Overtime work requested must be essential and used only when the work cannot be accomplished during the regularly scheduled administrative workweek. Complete all sections of Part I to include type of premium compensation work (e.g., *overtime, night, Sunday, holiday*), the additional salary cost due to premium compensation entitlements and the date the work will be performed.

PART II. PREMIUM COMPENSATION FOR SCHEDULED OVERTIME WORK

Under title 5 U.S.C., overtime work must be ordered or approved to be compensable. Department policy requires that approval be in writing and signed by a supervisor and authorizing official. Regularly scheduled overtime is work that has been authorized in advance of the start of the administrative workweek. In section A, include only regularly scheduled overtime, night, or Sunday work that is not a part of an employee's existing regularly scheduled administrative workweek that is being authorized for premium compensation. (NOTE:-all irregular overtime is covered by Part III and does not need this additional information.)

If applicable, indicate the type of premium compensation you are requesting. Premium compensation is available in the following circumstances:

- (A) Night Work is work scheduled in advance of the administrative workweek for work that is to be performed between 6 p.m. and 6 a.m.
- (B) Sunday Work is non-overtime work on Sunday that is scheduled in advance of the administrative workweek.
- (C) Holiday Work is non-overtime work that is scheduled in advance of the administrative workweek on a holiday designated in accordance with 5 C.F.R. §610.202.
- (D) Regularly Scheduled Overtime is overtime hours that are scheduled in advance of the administrative workweek.

PART III. REGULAR COMPENSATORY TIME OFF FOR IRREGULAR OVERTIME WORK

The following information is applied when the premium compensation request is initiated and approved after the start of the administrative workweek, resulting in "irregular" (*or unscheduled*) overtime work. Item #3 under Employee Information - determine if (a) employee's basic rate of pay is at GS-10, step 10, or below; or (b) above the salary of a GS-10, step 10. For (a), check the request for overtime pay, compensatory time off, or a combination of both. For (b), compensatory time off is mandatory except in extraordinary circumstance when an exception is granted. (See 3 FAM 3133.3) For both (a) and (b), employee, supervisor, and authorizing official must sign and date.

PART IV. SPECIAL COMPENSATORY TIME OFF

Special compensatory time off for Foreign Service Officers applies only to tenured Foreign Service Officers in the "FO" pay plan. The provisions are similar to regular compensatory time off, except FO's may carry special compensatory time off in the payroll system for 26 weeks (*13 pay periods*) and if not used, the time off is forfeited and may not be converted to salary. (See 3 FAM 3133.5)

Refer to 5 CFR 550.1002 for guidance concerning special compensatory time off for religious observances.

Special compensatory time off at isolated and designated posts applies only to a very few locations abroad and is not reported on time cards; supervisors should consult the administrative officer at post. (See 3 FAM 3133.4)

PART V. REPORT OF LIQUIDATION

For record keeping purposes, after the expiration of 26 pay periods for regular compensatory time off and 13 pay periods for special compensatory time off, supervisors should complete Part V, notify the employee, and file this form for audit purposes.

Page 2 (optional) can be used as a detailed record of overtime hours worked by each week of the pay period.
